# How to Use Your Workbook

**The questions and activities in this workbook are designed to be done after each *7th-12th Grade Guide Book* lesson.**

## Designed to Equip

We created this workbook to challenge you in your walk with Christ. The questions will help you review, meditate on, and apply the material studied within each week's lesson. It is our prayer that they will equip you to gain a firm understanding of Scripture and be ready to explain and defend the truth about what you believe (2 Tim. 3:14-17; 1 Pet. 3:15). While these questions will check to ensure you are growing in your knowledge of Scripture, we desire so much more for you. These questions are designed to help you grow in love for the Savior. The Christian life requires more than just a bigger head; it requires a change of heart.

Our approach is simple. We want to help you cultivate a love for and dependence on God and His Word. This has led us to develop a Christ-focused, worldview-oriented, expository Bible curriculum that we pray will help you further desire to love the Lord with all your heart, soul, strength, and mind (Luke 10:27).

Many Bible curricula you will find focus on moral teaching, showing you how God wants you to act. Though obedience to God's Word is a very important aspect of the Christian life, we chose to focus on the Bible in its entirety because we believe that God's Word, in conjunction with the Spirit, must first change all people from the inside out. We believe the Bible is our most powerful tool in shaping hearts—and we intend to use it.

We don't want you to just know what to do. We want you to love the Lord. We want you to have a lifelong relationship with Him that encourages you to go to Him in times of joy and times of need. We pray the Holy Spirit uses this curriculum to turn your heart toward a loving submissiveness to our great Lord and Savior, Jesus Christ.

# What You Will See in This Workbook

**Weekly review questions.** Several questions have been provided for each section of study for the week. Here are some guidelines as you work through them:

- You may answer the questions after reading each individual section or wait until the end of the week after you have studied the entire lesson. Feel free to refer to the *7th-12th Grade Guide Book* throughout the daily questions.
- The questions have been designed to get you in your Bible! Have your Bible ready to look up passages to solidify your understanding of the glorious truths of Scripture.
- You will find that some **fill-in-the-blank** questions refer specifically to something that can be found in the *7th-12th Grade Guide Book*. These questions are marked by a  symbol.
- Some questions are **reflective** and are marked by a  symbol. These questions do not have precise answers, are often subjective, and will not be found explicitly in the *7th-12th Grade Guide Book*. They are to encourage you to think deeply about the material.
- Each week requires a short **essay**. These questions are marked by a  symbol. Be sure to use Scripture to support your claims in these writings!
- If you find you truly do not know the answer to a question, rather than guessing or leaving it blank, seek to diligently find the answer by going back to Scripture, reading through the lesson again, or asking a parent or someone you trust.

Each week's questions are worth **30 points**.

**Unit tests.** Each unit ends with a unit test, which will be provided by your teacher. You may use your Bible, but you may not use the *7th-12th Grade Guide Book*. Each test is worth **100 points**.

**Semester review.** Each semester ends with two review pages. These will help you recall key terms and assimilate what you have learned across all four units of the semester through a few creative activities.

"For God, who said, 'Let **light** shine out of darkness,' has **shone** in our hearts to **give the light** of the knowledge of the glory of God in the face of Jesus Christ"  
(2 Cor. 4:6).

The Lord has illuminated glorious truths to His children through His Word, and they are worth a lifetime of study. **Enough with the fluff! Illuminate Bible Series** introduces students to important theology, engaging both their hearts and their minds. Each day, students are led **to praise God and exalt Jesus as they see the riches of His grace and glory throughout Scripture**. In each year of study, students will explore a variety of stories and passages of the Bible, examine them in their context, connect them to related Scriptures, mine them for doctrinal truth, and apply them to daily living. In volume 5, students will learn what it looks like to live for God's glory.

The unchanging truth of God's Word illuminates our path (Ps. 119:105). **Illuminate Bible Series** can lead students from preschool through 12th grade into daily, in-depth discovery of God's truth.
